WE WILL ROCK YOU – DUBLIN 2010

DUBLIN, our Capital City is a hard working and fun loving city with great shopping, things to see and things to do. Pubs and nightlife to fill every night, excursions and walking tours to satisfy every interest, great venues, superb activities and despite it all, a city on a human scale and where people have time to stop and talk...perhaps it's one of the things we do best?

WE WILL ROCK YOU

We promise we will ROCK your weekend in Dublin! Experience action packed rides in tanks, 4x4s, speed boats, hovercrafts and much more! Get a flavor for Dublin's magical Rock scene, while exploring our fun-loving capital, spend a night "at the dogs", play hard, get down and dirty on our off-road tracks and sing along when the curtains in Dublin's famous O2 arena are falling for WE WILL ROCK YOU. You will have the time of your life.

We Will Rock You is a jukebox musical, based on the songs of Queen and named after their hit single of the same name. The musical was written by English comedian and author Ben Elton in collaboration with Queen members Brian May and Roger Taylor. The result was a new chapter in theatre history - We Will Rock You. A rock 'theatrical' which defied all comparisons and has gone on to rock London's West End and theatres around the world for the past six years, and to an audience of well beyond 6 million!

A modern wing sits comfortably with the original building and the lobby offers a foretaste of the edgy design beyond: leather padded walls, oversized floral motifs and tactile wallpaper along with ultra-modern seating and creative lighting are just some of the quirky elements that create an atmosphere of decadent elegance.

The edgy look continues in the individually designed bedrooms, which are fitted to a very high specification.
